

Computer Based Training

To learn more or discuss a procedures cost estimate, please call 866-734-9244 ext 206

Training modules can be done in written, photo or video format.

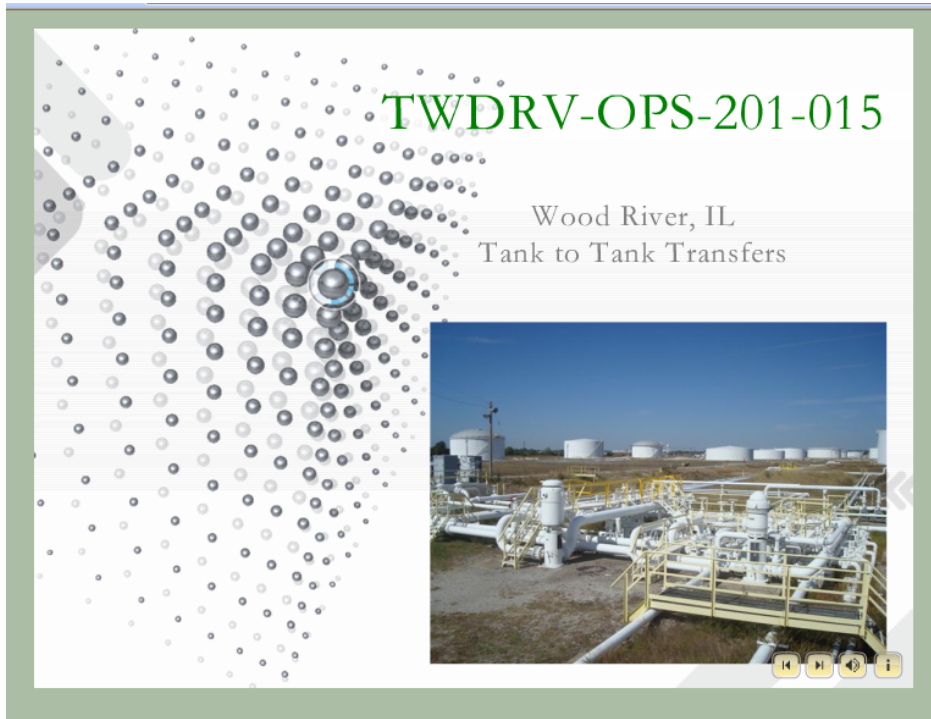

For a training module designed from a procedure, you would simply go to the procedures location from the main map and select "Interactive Training."

A list of training modules will appear allowing you to select which procedure you would like to train from.

Procedure Number	Description	Version Date	Module	Download PDF
TWDRV-OPS-201-001-A	Pipeline Receipts - Conoco	12-12-2008	View	Download
TWDRV-OPS-201-001-B	Pipeline Receipts - Marathon	12-12-2008	View	Download
TWDRV-OPS-201-001-C	Pipeline Receipts - Explorer	12-12-2008	View	Download
TWDRV-OPS-201-012	Pipeline Discharges ULSD	12-12-2008	View	Download
TWDRV-OPS-201-013	Pipeline Discharges	12-15-2008	View	Download
TWDRV-OPS-201-015	Tank to Tank Transfers	12-12-2008	View	Download
TWDRV-OPS-302-001	QA Sampling	12-12-2008	View	Download
TWDRV-OPS-400-006	Oily Water Pump Off	12-12-2008	View	Download
TWDRV-OPS-401-001	Tank Gauging	12-12-2008	View	Download
TWDRV-OPS-412-001	Vapor Recovery Unit	12-15-2008	View	Download
TWDRV-OPS-600-001	Truck Rack Loading	12-12-2008	View	Download

You would then select the module and the training module will appear.

At the end of each training module is a pass or fail exam.

The image shows a quiz results screen with a green background. At the top, the module ID 'TWDRV-OPS-302-001' is displayed. Below it, a dark red banner contains the text 'Quiz Results' with a small icon. A table below shows the score details.

Your Score:	Passing Score:
17 pts	20 pts
68 %	80 %

A failing score requires the exam to be taken again, while a passing score allows you to review your missed questions.

Training modules can be done in written, photo or video format. The video format can be done in either low definition or high definition.
